AIR DISTRIBUTION PRODUCTS

- **Nailor Industries** – Complete air control and distribution solutions
- **EB Air Controls** – Positive sealed dampers
- **Westvent** – Commercial & industrial louvers, dampers, and penthouse solutions
- **Swegon** – Indoor climate solutions / energy recovery units
- **Vanee** – Energy / heat recovery units
- **Acutherm** – Modular variable air volume (VAV) systems
- **Vibro-Acoustics** – Vibration isolation and noise control products
- **Maxam** – Access doors, fire rated and non-rated
- **QEL (Quatrosense Environmental Ltd.)** – Gas detection
- **ATI (Airtest Technologies)** – Gas detection
- **Honeywell Industrial** – Gas detection
- **Armstrong Monitoring** – Gas detection
- **Air Chek** – Custom garbage chutes and accessories
- **Plymovent** – Vehicle and fume extraction systems
- **Carmon** – Vehicle and fume extraction systems
- **Thermafex** – Flexible ducting hose
- **Selkirk** – Stainless steel PS and IPS pressure chimneys and grease duct systems
- **Duravent** – AL29-4C stainless steel venting systems
- **Carroll Manufacturing** – Commercial kitchen ventilation systems and ecology units
- **Spring Air Systems** – Ecology units
- **Accutrol** – Fume hood control, critical environment air flow management and Tek Air products
- **Ecoair** – Air circulation and filtration for distributing air
- **Powered Aire** – Commercial and industrial air curtains
- **Berner** – Glycol, electric, and gas air curtains
- **Enershield** – Commercial air curtains
- **Mars** – Commercial air curtains
- **RnS Manufacturing** – Ridge vents, gravity and smoke vents, roof access and equipment hatches
- **Cosatron** – Electronic specialty air cleaner
- **Air Max** – Dust collectors

FANS AND BLOWERS

- **Loren Cook** – Fans, ventilators and accessories
- **Hartzell Fans** – Industrial fans and blowers
- **Howden** – Industrial axial, centrifugal, cooling, turbo fans
- **Sheldons Engineering** – Air handling, high pressure, material handling, and custom design fans
- **Universal** – Fiber reinforced plastic fans and blowers
- **Delhi / Canarm / Leader** – Commercial fans and blowers
- **Sodeca** – Parkade and jet thrust fans
- **Systemair Fans** – Commercial / Industrial fans and blowers
- **Broan** – Domestic fans, range hoods and accessories
- **Fantech** – Cabinet and in-line fans
- **Ostberg** – Round in-line exhaust / booster fans
- **Energex** – Draft equipment and ventilators
- **Accustiflo** – Modular and ultra quiet
- **Plasticair** – FRP fans and chemical scrubbers

VARIABLE FREQUENCY DRIVES

- **MGI Technologies** – Variable frequency motor controls
- **ABB AC Drives** – Variable frequency drives from 1hp to 550hp
- **Lenze (AC Tech)** – Inverter drives from 0.33hp to 60hp

HEATING PRODUCTS

- **Sterling** – Gas fired unit heaters, direct or indirect fired make-up
- **Sterling Hydronics** – Hydronic, steam, cabinet units heaters, flat panel, convectors, and fin tubed radiation
- **Temprite** – Direct and Indirect fired, air turnover high mounting unit heaters
- **Ouellet** – Electric force flow, baseboard, and unit heaters
- **Hazloc Heaters** – Industrial unit heaters for severe locations
- **CCI Thermal / Cata-Dyne / Ruffneck / Caloritech / Norseman** – Heating and filtration solutions for industrial/hazardous locations
- **Thermolec** – Open coil and tubular element electric duct heaters
- **Schwank Heaters** – High and low intensity tube and infrared heaters
- **Wattco Heaters** – Industrial immersion heaters
- **Hubbell** – Industrial electric water heaters and heat pumps

HEATING PRODUCTS

- **Aerco** – Instantaneous gas fired, water to water, and steam-to-water water heaters, plus fire tube and condensing boilers
- **Bryan** – Water tube standard efficiency, condensing steam, steam skid packages and steam accessories
- **Sime** – Wall hung condensing and non-condensing boilers

HYDRONIC PRODUCTS

- **Enviro-Tec (by Johnson Controls)** – Fan coil, blower coil units and indoor air handling units
- **Engineered Comfort** – Belt or direct drive, horizontal or vertical
- **Airtherm** – Belt or direct drive, horizontal or vertical hot water, chilled water, DX and steam
- **Patterson Pumps** – Vertical in-line, end suction, booster pumps, air separators, tanks and accessories
- **Hydromatic Pumps** – Effluent, sump and sewage pumps
- **Flo Fab** – Pumps, pump packages, tanks and heat exchangers
- **Alfa-Laval** – Brazed plate and plate and frame heat exchangers
- **Advanced Industrial Components (AIC)** – Shell and U-tube heat exchangers, brazed, plate and frame heat exchangers
- **Carel** – Electrode, resistive and gas-fired steam humidifiers
- **NEP (Neptronic)** – Gas fired, electric, steam and pressurized steam
- **MeeFog** – High pressure water fogging technology
- **Haakon** – High pressure atomizing water
- **Preso** – Venturi flow measuring equipment
- **Dynasonic** – Flow measuring package
- **Flo-Pac LLC** – Manual and automatic balancing valves. piping hook-ups
- **Sulzer** – Demisters (Industrial)
- **Climate Master** – Horizontal, vertical and console
- **Lakos** – Condenser water and closed loop centrifugal separators
- **Amiad** – Chemical scrubbers
- **Baltimore Aircoil** – Cooling towers, condensers, fluid coolers, and thermal storage
- **Amtrol** – Expansion tanks (bladder or diaphragm-type), air separators and purgers
- **Calefactio/Expanflex** – Expansion tanks
- **Belimo** – Globe or gate valves, electric or pneumatic actuators

AIR HANDLING & ENERGY RECOVERY SYSTEMS

- **Haakon** – Custom commercial and industrial air handling units
- **Westech Air** – Custom air handling equipment, specializing in direct fired, specialty, fan coil units, chemical filtration, explosion resistant, high temperature heating, air curtains and controls
- **ICE Western** – Custom packaged cooling and gas fired air handling units
- **Tempmaster RTU (by Johnson Controls)** – 3 to 40 ton packaged rooftop units
- **SG America** – Heat wheel energy recovery systems
- **Polybloc** – Reverse air flow heat recovery
- **Klingenburg** – Heat exchangers and humidifiers
- **Heatpipe Tec** – Heat recovery coils, FRP fans and HP blowers
- **Marvair / Eubank / ICE (Airxcel)** – Wall mounted heating and cooling units
- **LG** – Variable refrigerant flow system and low ambient splits

MECHANICAL PRODUCTS

- **Dunham Bush** – Air cooled, air cooled scroll compressor direct expansion chiller, air cooled vertical screw flooded compressor chiller
- **Rae Corp** – Custom heating and cooling solutions
- **Tandem** – Modular chillers and chilling systems
- **Baltimore Air Coils** – Evaporative condensers
- **Ventrol CoilPacs** – Customized booster, reheat and cooling coils (AHRI certified)
- **Heatcraft Coils** – Water, steam, DX, duct reheat coils and run around
- **LJ Wing** – Integral face and bypass and specialty coils
- **Aerofin** – finned tube heat exchanger coils and heat transfer equipment
- **Colmac Coil** – Custom dry air coolers
- **Luvata / Heatcraft** – Heating and cooling coils, air-cooled fluid coolers and condensers
- **Climateworx** – Specialty and computer room air conditioning
- **Schneider APC** – Computer room AC unit (CRAC), IT server room AC units, UPS
